Dear Members of the Board of Education:

Congratulations! Your board of education is one of 19 to earn the IASB's 2019 School Board Governance Recognition designation. This recognition is designed to acknowledge those school boards that have engaged in activities and modeled behaviors that lead to excellence in local school governance in support of quality public education.

We will be formally presenting this recognition to your board at the Fall South Cook Division Meeting. Information on date and location can be found on our Events Calendar at IASB.com. We hope many of you will be able to attend. In addition, a display in the IASB Info Center at the Joint Annual Conference in November will recognize the boards who have been awarded the 2019 School Board Governance Recognition Award.

We commend you for your hard work and the distinction of being a School Board Governance Recognition recipient.

Sincerely,

Thomas E. Bertrand, Ph.D.
